Caring for your horse, body, mind, and spirit

**Deadline for sign-up
is March 1, 2010**

Comprehensive Equine Wellness Packages

We are once again offering Comprehensive Preventative Wellness Care packages to offer you savings on the care your horse needs most!

We have changed the program somewhat this year in response to client comments and requests. New this year is a special "Economy option" as well as more flexibility in your wellness choices!

Level One: Option A (Economy)—For the horse who stays at home

TWO visits (Spring and Summer):

Spring visit includes: Physical Exam/Body Condition Evaluation, West Nile, Eastern and Western Encephalitis, Tetanus, Potomac Horse Fever and Rabies vaccinations, and a Fecal Exam

Summer Visit includes: Fecal, Dental Exam, and a Potomac Horse Fever Booster

Option B includes all of the above PLUS a FALL visit with Physical Exam and Fecal

Level 2: For the traveling trail or show horse, or horses at boarding barns

THREE visits (Spring, Summer and Fall)

Spring visit includes: Physical Exam/Body Condition Evaluation, Rhino, Flu, West Nile, Eastern and Western Encephalitis, Tetanus, Potomac Horse Fever, and Rabies Vaccinations, Fecal, and a Coggins test

Summer visit includes: Fecal and a Potomac Horse Fever booster

Fall visit includes: Physical and Dental Exam, Body Condition Evaluation, Rhino and Flu boosters, and a Fecal

ANY of the following can be added to the Wellness visit at a 10% discount
(services must be performed on an enrolled horse)

- Dental Float
- Microchipping for ID
- Sheath Cleaning for Geldings
- Bloodwork such as Insulin or Thyroid Hormone Levels
- Targeted Deworming
- X-rays
- Additional vaccines (Strangles, etc)

Special

A beginner clicker training lesson for you and your horse can be done during any Wellness Program visit for only \$20
